

GODSTONE VILLAGE SCHOOL

Reception Admissions Policy

Admission in September 2020 (2020-21)

Application

The Governing Body is responsible for the admission of pupils.

Application forms are available from the Local Authority and must be returned to the Local Authority (LA) not the school. Online applications can be made via www.surreycc.gov.uk/admissions. Parents/carers of children with statements of special educational needs or an Education, Health and Care Plan which names Godstone Village School will receive a personalised admissions pack from the Local Authority.

The school must admit these children, unless the LA directs otherwise, and their place will be allocated before all other applicants.

Children who attend the Godstone School Nursery do not have automatic transfer to Reception and will be considered equally with all other applicants.

Admission to Reception is from the September of the academic year in which a child will become five. Parents whose children are below compulsory school age may choose for their child to attend part/full time until the term after their child turns 5 years old and can also defer their entry up to the start of the term after their child turns 5 years old, but only within the same academic year.

The timetable for Admissions is the same as that of the Local Authority.

Pupil Admission Numbers

The published admission number is 30 and there is one class per year group from Reception to Year 6 as determined by the capacity assessment for the school. The Governing Body has a duty to comply with statutory regulations which require Infant class sizes to be a maximum of 30 pupils; it has determined that all other classes will not exceed 30.

Equal Preference System

All Surrey schools have adopted the equal preference system. This means all applications are considered equally against admission criteria eg an application ranking Godstone Village School as third preference is initially considered in the same way as one which ranks it first. If the admission criteria for more than one school is met a place is offered at the school which is highest ranked. Godstone Village School is part of the Surrey Co-ordinated Admissions Scheme.

Criteria applied when the number of applications exceeds places available

Admission decisions are not based on any consideration of race, religion, gender, social status or ability. The following criteria, applied in the order set out, will be used by the Governing Body to determine which applicants are offered a place when the number of applicants exceeds the number of places:

1. Looked after and previously looked after children.

Looked after and previously looked after children will be considered to be:

· children who are registered as being in the care of a Local Authority or provided with accommodation by a local authority, in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and

· children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989 (a) and who have left care through adoption (in accordance with Section 46 of the

Adoption and Children Act 2002), a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

2. A child with a sibling who will be attending at the time of admission.

Sibling – a brother/sister with the same parents, whether living at the same address or not, or half or step brother/sister living at same address or adopted and foster children living at the same address.

3. A child considered under “social/exceptional” needs

Occasionally there may be a child for whom exceptional social or medical circumstances will apply which will warrant a placement at Godstone Village School. Supporting evidence from a professional is required such as a doctor and/or consultant for medical cases or a social worker, health visitor, housing officer, the police or probation officer for other social circumstances. This evidence must confirm the circumstances of the case and must set out why the child should attend this school and why no other school could meet the child’s needs.

Providing evidence does not guarantee that a child will be given priority at Godstone Village School and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at this school above any other.

4. Distance from the child’s home to school.

Children living nearer the school will be given the highest priority until all places are filled.

The distance is measured in a straight line from the address point of the child’s home, as set by Ordnance Survey, to the nearest official school gate for pupils to use. This is calculated using the Admission and Transport Team’s Geographical Information System.

The child’s home address excludes any business, relative’s or childminder’s address and must be the child’s normal place of residence. In the case of shared custody it is the address where the child spends most of the time. All distances will be measured by the computerised Geographical Information System maintained by Surrey’s Admissions and Transport team. Any offer of a place on the basis of address is conditional on the child being resident at the address provided.

The address to be used for the initial allocation of places to Reception will be the child’s address at the closing date for application. Changes of address may be considered in accordance with Surrey’s Coordinated Schemes if there are exceptional reasons behind the change, such as if a family has just moved to the area. The address to be used for waiting lists, after the initial allocation, will be the child’s current address. Any offer is conditional upon the child living at the appropriate address on the relevant date. Parents have a responsibility to notify the school and/or Surrey County Council of any change of address.

Where two applicants live equidistant and share priority for a place we would apply a random allocation to determine which child would receive priority.

In the case of multiple births, where children are ranked consecutively in their order of priority for a place and there are not sufficient vacancies remaining for each of them, wherever it is logistically possible, each child will be offered a place. Where it is not logistically possible to offer each child a place the child(ren) to be offered the last remaining place(s) will be determined by their rank position.

Transport

The school does not have its own transport and is within walking distance of public transport. Parents/carers applying for free transport from the LA should note that home-school distance may be measured using different routes.

Late Applications

Applications received after the closing date will be considered in accordance with Surrey's coordinated scheme and those treated as late will not be considered until after applications that were received on time have been processed.

Waiting Lists

Unsuccessful applications and late applications will be held on a waiting list until the end of the autumn term and will be considered using the above criteria if a vacancy becomes available.

In Year Applications

Godstone Village School advises the LA when any vacancy in any year group arises. In year admissions are processed in the same way as all other admissions.

Supporting Documents

Parents/carers are required to provide proof of address, (the name of the borough/district and the council tax number for the property where the child normally lives) and, when offered a place, a short form birth certificate. The offer of a place will usually be withdrawn if it is found it has been obtained fraudulently.

The admission of children outside of their chronological year group

Applicants may choose to seek a place outside their child's chronological (correct) year group. Decisions will be made on the basis of the circumstances of each case and what is in the best interests of the child concerned.

- Applicants who are applying for their child to have a decelerated entry to school, i.e. to start later than other children in their chronological age group, should initially apply for a school place in accordance with the deadlines that apply for their child's chronological age. If, in liaison with the head teacher, governors agree for the child to have a decelerated entry, the place cannot be deferred and instead the applicant will be invited to apply again in the following year for the decelerated cohort.
- Applicants who are applying for their child to have an accelerated entry to school, i.e. to start earlier than other children in their chronological age group, must initially apply for a school place at the same time that other families are applying for that cohort. If, in liaison with the head teacher, governors agree for the child to have an accelerated entry, the application will be processed. If it is not agreed for the child to have an accelerated, the applicant will be invited to apply again in the following year for the correct cohort.

Applicants must state clearly why they feel admission to a different year group is in the child's best interest and, if they wish, provide what evidence they have to support this. More information on educating children out of their chronological year group and the process for making such requests is available at www.surreycc.gov.uk/admissions.

Changes to Admissions Arrangements

The school will agree any changes to its admissions arrangements by reviewing our admission policy annually and will consult with stakeholders and other interested parties if any changes are proposed. Details of admissions and appeal arrangements are published each year.

Appeals

Appeals against non-admission are heard by an independent panel and an Appeal Form is available from the school and is returned to the Clerk of the Appeal Panel.

Further information available

A visit to the school and the school prospectus will help you decide whether Godstone Village School is the right school for your child. Staff and Governors cannot give any indication whether an application would be successful or not but a scale map of the area and the numbers admitted under each criteria, and the furthest distance admitted, for the past two years is available on written request to the Governing Body.
