Dear Year 6 Parents and Carers,

Re: Walking to and from school and mobile phone agreement

For those children who live in close proximity to the school, having the opportunity to walk to and from school is a great way to build independence. Many children in Year 6 begin to travel to school and home independently. If your child will be taking on this responsibility, then please fill in the form below and return it to school so that we have a record. Please note that we require written permission from a child's parent/guardian in order for them to walk home from school alone.

Should your child bring their mobile device to school, this will be switched off and locked away in a cupboard on their arrival and returned to them at the end of the school day. If you wish to contact your child throughout the day, this should be done via the school office.

Kind regards,

Miss Kirsty Gillett
